## STORY:

Ryu and Ko learned that their hometown, "Paradise City", had been over run by "Geshita" and his men. Hostages were taken to Geshita's palace. Ryu and Ko decide to run Geshita and his men out of the city and restore peace and honor.

## HOW TO PLAY:

8-way joystick controls player's movement.

Button A — punch      Button B — kick

Pushing Button A+B simultaneously — roundhouse kick

Moving the joystick quickly frees you from enemy's grasp.

Simultaneous play      Buy-in feature      Continue mode

Geshita's Henchmen

Watch out for fire balls!

Hidden weapons:  
Look for doors and break through

In order to defeat enemy, pick up weapons hidden behind some doors.
